BUSINESS TODAY**

WWW.CONTAINERPODS.CO

1300 772 830

# OUR MISSION

To enable entrepreneurs to start  
great ideas sooner.  
Container Pods wants to provide  
business owners the best experience  
to sell your products

Costs per week range from \$200 to \$600 for a fully fitted cafe.

Container Pods handle the Design, Build, Deliver & point of sale  
systems.

CONTAINER PODS

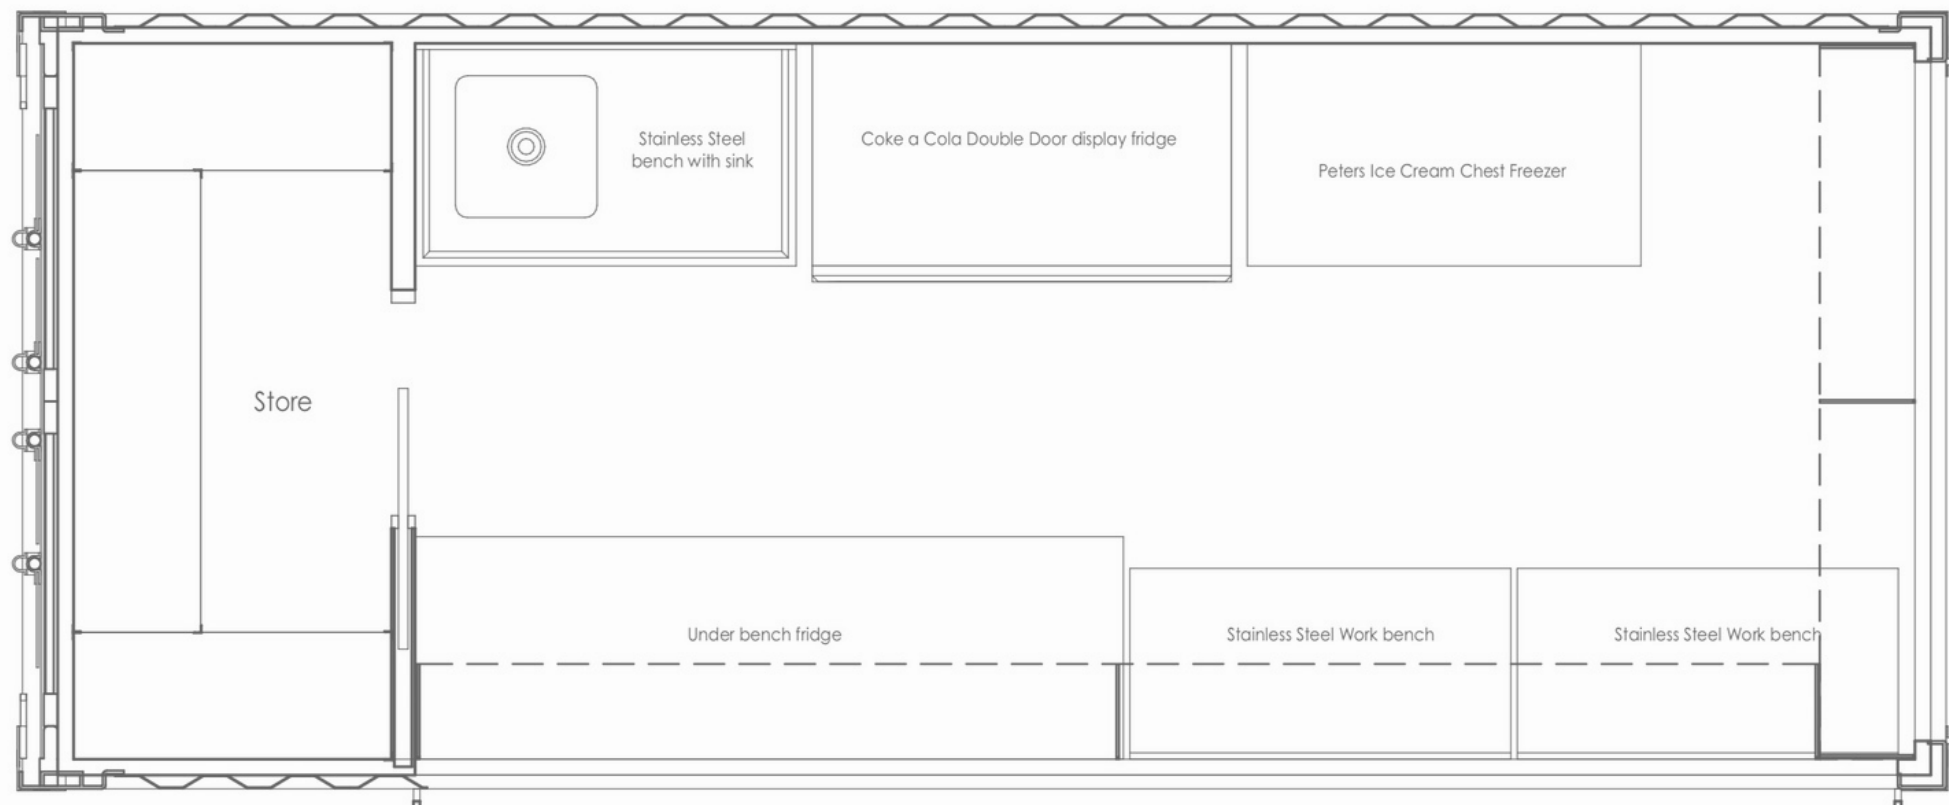

# STEP 1

## CONTACT

We step through the process and confirm the how, what and when.

We guide you through the whole process so you know what you are getting so you can be up and running soon.

[WWW.CONTAINERPODS.CO](http://WWW.CONTAINERPODS.CO)

# STEP 2

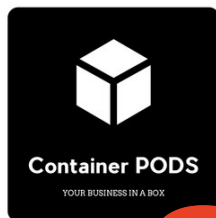

## PROCESS

Container Pods confirms build parameters and an agent from Container Pods will map out with you the build, payment and delivery process.

# STEP 3

## TERMS

We remove all the legal jargon around operating and running your pod. A simple lease agreement means you are up and running sooner.

# STEP 4

## CONTRACT

Customer signs lease agreement. You are now closer to operating and running your own business.

# STEP 5

## DEPOSIT

Leaving a deposit secures your pod.

- We request \$2,500 to initiate the build
- Bank account details are provided and the POS system is set up so you can start selling sooner.

# STEP 6 BUILD

We build the pod for you (3 weeks).  
Our expert team builds and configures your new business.

Your involved in the whole process.

# STEP 7 DELIVER

We deliver to your site and help you configure and install your new business.

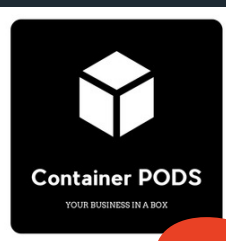

# STEP 8 INSTALLATION

We assist in connecting and starting your business. Container Pods will coordinate trades to install power, water and internet connections. Your customers can enjoy free wifi whilst at your business. All costs are covered in the lease fees.

# STEP 9 REPORTING

Weekly reports are provided and full accounting services are available for all pod owners.

# STEP 10

## UP AND RUNNING

Enjoy your new pod and you see the money rolling in

You will have access to the following support

- POS system support and financials for the pod
- Website design and marketing for your new pod (Additional services)
- Business growth support and assistance.

You are fully supported when you run a pod. We're invested in making your pod work for you and your business.
